

1 Church 1 Day Prayer Initiative

Can you imagine what would happen if all the churches in our city, regardless of denomination joined together in continuous prayer? That's what the 1 Church 1 Day Prayer Initiative is about. KSBJ 89.3 radio has committed to sponsor this program as part of their 5-year strategic plan and will work closely with pastors and prayer coordinators from 30 area Churches to assure success in this massive undertaking to remove all evil from our city by establishing 24 hours a day 7 days a week prayer.

Our official day of prayer will be the 3rd Friday of every month.

Each Church will cover a specific day of the month with volunteers committed to cover one hour in prayer for 24 hours. At least two or more people are preferred for each hour if possible. Eventually, it is prayed that several people for hour will participate. This is very similar to our Adoration program, but instead of coming to the chapel or church to pray, each volunteer will pray at the location of their choice during their assigned hour. Home, work, lunch, quiet time, chapel, your choice as long as you pray for the full hour.

Prayers for our Church and community will be prayed for first, followed by a set of assigned prayers that will eventually cover 7 spheres of influence in the greater Houston area. Kingwood, Atascocita, Porter and Humble will be ground zero for the first launch in Texas. It is hoped the entire city of Houston can be divided into groups, (5th ward, downtown metro, spring, etc.) until the entire area has a canopy of prayer over it 24 hours a day, 7 days a week!

Details will be forthcoming and volunteers are being accepted and assigned now in anticipation of this incredible event!

Look for a notice in your Flock Note group, your email, the Church website and Church bulletin. Speakers and information stewards will also be available to explain this program in more detail.

I've accepted Fr. Felix's invitation to serve as parish prayer coordinator for the 1 Church 1 Day project. Please pray God guides me and gives me the wisdom to do His will.
